

Notice -A Worldfolio interview with our Chairman and CEO, Noritada Okano, has been uploaded.

2017/02/01

An interview was held between our Chairman and CEO, Noritada Okano and the Worldfolio, an economic website in the UK.

It focused on the theme of “sources of innovation in Japanese companies” and touched upon Riken Corporation’s foundation, globalized operations and continuous efforts for technical innovation and “Monozukuri”.

Please visit the following link for the full interview.
